LUDHIANA: The computer training centre being run by the United Cycle and Parts Manufacturers Association (UCPMA) has been ranked top among the 24 private centres under Computer Operator Programming Assistant (COPA) trade in Ludhiana.

The result was declared on Tuesday.

Karam Singh Bhogal UCPMA training centre, which is affiliated with Industrial Training Institute (ITI), is located at the office of UCPMA on Gill Road. It was started on August 25 last year where 16 students

were enrolled to learn different courses offered by the institute. Of these, 14 students appeared in the examination.

Vishivkarma said that it was a big leap for the UCPMA that the centre run by it has scored top in the list of 24 such centres being run in Ludhiana in the first semester result.

COPA trade comes under National Council Vocational Training (NCVT) and the certificate issued by the NCVT is valid throughout the national level.

"So if a student gets this certificate, he or she can get a good job anywhere in India," said Vishivkarma.

Major cycle manufacturer

Avtar Singh Bhogal announced that in the final semester, he will give award to the students who will score first, second and third positions.

On the other hand, Vishivkarma said that he would provide jobs to the students who pass from this institute in his own cycle parts manufacturing factory.

Vishivkarma among other office bearers of the UCPMA including Avtar Singh Bhogal, Inderjit Singh Navyug, Pradeep Wadhawan, Rajinder Singh Pappu, Barjinder Singh, Surinder Singh, Parminder Singh Ubhi, Harpreet Singh Lotey among others wished good luck to the students.
